Western Mopar Madness

Western Mopar Madness will be held at RAD Torque Raceway (formerly Castrol Raceway) on July 23rd and 24th, 2022. The Edmonton Mopar Association made quite the name in 2019 at our Last Event to make this the Largest All Mopar Show/Race event in Western Canada.

In 2019 we had 435 vehicles on Site for the first year. This consisted of 382 Car Show Entries and 53 Race competitors.

Competitors and Car Show entries competed for 53 custom built trophies made by the Leduc Composite High School Students.

As a Preliminary to our main event, Blackjack's Roadhouse will be hosting a Meet and Greet for all Western Mopar Madness participants. This will be held on Friday July 22nd, 2022 from 5 PM to 8 PM.

The EMA will also be doing Pre-Registration for Western Mopar Madness. This will help with parking the next day and reduce the time at the registration table during the event.

For this year WMM will be using the Car Show Pro setup for Registration and Judging.

If you plan to attend, please go to -
