Direction to setup Car Show Pro.

- 1) Go to - <https://carshowpro.com/memberregistration>
- 2) Create your login
- 3) Once you have created Login and confirmed your account, Log in.
- 4) On the Left-hand side, look for the Speedo Icon and highlight it.
- 5) A drop-down box will appear and select My Garage
- 6) Once in your Garage, Click Add new Vehicle.
- 7) Add your Information, Add a picture and any additional Information
- 8) Click save and you are done. (If you have more vehicles, add them)
- 9) Now your Garage is setup.

To sign up for an Event.

- 1) Find the Event you want to join
- 2) This is Western Mopar Madness - <https://carshowpro.com/events/register/1210>
- 3) Fill in all of your Information
- 4) Click Select/Add Auto – this will bring up your Garage
- 5) Click the vehicle you want to bring
- 6) Then select the Auto Classification (If unsure, email info@emawmm.com)
- 7) Agree with the terms
- 8) Then add your charge card information
- 9) Hit Pay now and Register
- 10) You are now registered for our event.

Now that you have your garage setup, you can register for any event that uses Car Show Pro.
